

International Scientific-Practical Conference “DIAGNOSTICS OF LOCALIZED PROSTATE CANCER”

15-16, May 2023

1st day - 15, May 2023

MODERATORS: DR. MANTAS TRAKYMAS and
DR. MARIUS KINČIUS
NCI conference hall,
Santariškių str. 1, 08660 Vilnius

2nd day - 16, May 2023

MODERATORS: DR. MANTAS TRAKYMAS and
DR. JURGITA UŠINSKIENĖ
Diagnostic and Interventional Radiology Department
MRI unit,
Santariškių str. 1, 08660 Vilnius

09:00-09:10 **Welcome word. OECI and EBU EUSP Host Centre for Prostate cancer.**

Dr. Marius Kinčius, Deputy Director for the Clinic,
President of Lithuanian Urological Society
Dr. Jurgita Ušinskienė, Head of Diagnostic and
Interventional Radiology Department

09:10-09:30 **Morphological diagnostics of prostate cancer.** Gyd. Darius Dasevičius, pathologist, National Center of Pathology

09:30-10:30 **Structurised prostate MRI evaluation: PI-RADS, PRECISE, PI-RR.** Dr. Rūta Briedienė, radiologist, NCI

10:30-11:30 **Robot assisted MRI guided prostate biopsy: clinical indications and practical single center experience.** Prof. Joan C. Vilanova, Clinica Girona, Research Unit of Diagnostic Imaging Institute (IDI), Department of Radiology, Department of Medical Sciences, Faculty of Medicine, University of Girona

11:30-12:10 **MRI guided prostate biopsy - cognitive, UG fusion, MRT in bore.** Dr. Mantas Trakymas, interventional radiologist, NCI

12:10 - 12:50 *Coffee break*

12:50-14:00 **Consensus based guidelines on prostate biopsy: selecting the most appropriate prostate biopsy: real clinical cases” MDT discussion for localized PC detection, indications for MRI in bore or MRI/US fusion guided prostate biopsy.** Prof. Joan C. Vilanova, dr. M. Trakymas, dr. R. Briedienė, gyd. I. Naruševičiūtė, dr. J. Ušinskienė, gyd. A. Ladukas, dr. A. Ulys

14:00-14:15 **Procancer project: input from NCI.**
Dr. Jurgita Ušinskienė, radiologist, NCI

09:00 - 11:30 **MRI sequences for visualizing prostatic lesions in robot assisted MRI guided prostate biopsy. Robot assisted MRI: hands-on, 2 cases**

Prof. Joan C. Vilanova, Clinica Girona, Research Unit of Diagnostic Imaging Institute (IDI), Department of Radiology, Department of Medical Sciences, Faculty of Medicine, University of Girona

11:30 - 12:00 **Prostate biopsy with MRI/US fusion: NCI experience, hands-on, 2 cases**

Dr. Mantas Trakymas, interventional radiologist, NCI

12:00 - 12:30 *Coffee break*

12:30 - 14:00 **Prostate biopsy with MRI/US fusion: NCI experience, hands-on, 2 cases**

Dr. Mantas Trakymas, interventional radiologist, NCI

14:00 - 15:30 **Transperineal cognitive prostate biopsy, hands-on, 2 cases.**

Dr. Arvydas Vėželis, urologist, NCI

15:30 - 16:00 **Discussions**

Members of the Lithuanian Society of Urology and employees of the National Cancer Institute - free of charge

Employees of other Institutions - 80 Euro

The conference is intended for medical doctors

Registration: email: radiologija@nvi.lt
